Individuals Will Be Fined for Smoking in No-Smoking Zones

Since the enactment of the Suginami City Ordinance on Safety in Daily Living and Environment Beautification, Suginami City has striven to improve the manners of smokers by designating no-smoking zones (six zones—(1) through (6) listed below), conducting various awareness-raising activities, and conducting patrols for environment beautification.

Although some progress was made, there were still smokers who failed to follow the rules. As a result, we continued to receive complaints from many residents.

Therefore, since October 2009, Suginami City has decided to strictly enforce the nosmoking rules and fine violators of the city ordinance in designated no-smoking zones to further promote the safety of city residents and the beautification of the environment.

The fining system is described below. We would appreciate your understanding and cooperation in this matter.

Applicable Behavior:

Smoking on the street in no-smoking zones (includes while riding a bicycle)

No-Smoking Zones;

(1) JR Nishiogikubo Station Area, (2) JR Ogikubo Station Area, (3) JR Asagaya Station Area, (4) JR Koenji Station Area, (5) Seibu-Shinjuku Line Kamiigusa Station Area, and (6) Keio-Inokashira Line Takaido Station Area For more information on no-smoking zones, please see Suginami City's Web site (in Japanese).

Amount of Fine: ¥2,000

- Collection of fines from violators of the city ordinance will be conducted by Suginami City Office employees.
- Fines will be collected directly on the spot or by invoice on a later date.

To All National Health Insurance Members: Please Cooperate and File a Resident's Tax Report

National Health Insurance premiums for each household are calculated based on Resident's Tax of all household members. If you have not yet filed an income report (*kakutei shinkoku*) or Resident's Tax report, please do so because it is required.

The reports serve as important reference when (1) calculating the amount of a household's insurance premiums based on income levy; (2) authorizing reductions in the amount of insurance premiums based on per capita levy; and (3) determining the percentage of costs personally borne by the elderly.

Reductions in premiums for low-income households cannot be applied unless a report is filed.

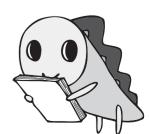

Please file a Resident's Tax report at the Taxation Section as early as possible (Suginami City Office East Bldg. 2F).

Notifications regarding National Health Insurance premiums will be mailed as soon as the Resident's Tax amounts are determined (in mid-June). Insurance premiums for the year starting April 2010 and ending March 2011 are to be paid in 10 installments, from June through March of the following year. No payment is collected in April or May.

If you join social insurance, you must complete the designated procedures to with-

draw from National Health Insurance. Please bring your National Health Insurance card and social insurance card to the National Health Insurance and Pension Section (East Bldg. 2F), your local Residents Office, Annex Office, or Suginami City Office Stationfront Office and complete the procedures.
